**2**  
You have a "get me home spare"

Once home we can be with you by appointment anywhere in the UK during working hours.

**3**  
You're using a sealant & compressor

You will have the problem of having to fit a new tyre. Tyron Assist are there to help!

**4**  
You have a spare that needs fitting

Tyron can assist you at home, office or anywhere in the UK during normal working hours.

## What is TYRON ASSIST?

Tyron Assist can offer a mobile tyre replacement service operated by Fit4Fleet. With over 1400 independent agents, it offers a fast, friendly and efficient "Peace of Mind" emergency service, 24 Hours a day, 365 days a year. Your 3 Year membership, however, entitles you to BOTH of the following services anywhere in mainland UK using the Tyron Assist Freephone number.

### EMERGENCY TYRE SERVICE

If it's an emergency blow-out or puncture, ...day or night, we will get to you, anywhere in the UK, even on the motorway, in under 2 hours... We are there to help!

NO call out charge, you just pay for the new tyre, valve, balance and disposal of your old tyre, just like you would at your local tyre fitters.

### BY APPOINTMENT SERVICE

We can be with you by appointment to change your worn out tyres. At home, at the office, anywhere in the UK during normal working hours. There is still no call out charge. Again you only pay for the new tyre, valve, balance and disposal of your old tyre.

## What is the cost of TYRON ASSIST?

The cost of Tyron Assist for 3 years is £99.00 for the first vehicle, plus £40 for an additional caravan or trailer (Inc Vat) and can be transferred to another vehicle if you change your vehicles during your membership.
